Donald Parker
Principal
RSD Construction
664 NE Terry Circle
Hillsboro, OR 97124

Dear Donald Parker:

Javelin Logistics sincerely appreciates the effort and quality of work that has been done for us. Rebuilding our conference room was done on-time, under budget and with care by all those who worked on the project. We greatly appreciated this. Our concerns about the possibility of disruption in our work flow due to the construction were quickly dismissed by how professional your crew was.

I also extend personal thanks for the work you performed on my private residence. Again, the utmost professionalism and your solution based thinking was greatly appreciated. Your focus at saving cost for me was impressive. Especially by my wife which is where the satisfaction needs to lie. I will use RSD in the future.

Sincerely,

Steve Oakley
